Music has the amazing ability to connect us to the most cherished memories. It can transcend time and immediately bring us to a place in our past, a special moment from long ago or even make us feel in the presence of a departed loved one. **Emmet - Christmas In Ireland** takes his audiences on a journey to Ireland through song, recalling Christmas stories from the Emerald isle as well as performing Irish classics including **Danny Boy, An Irish Lullaby,** and **When Irish Eyes are Smiling.**

Emmet Cahill, Star of PBS Phenomenon Celtic Thunder, has been widely hailed as **Ireland's Most Exciting Young Tenor.** News of his sold out debut concert at New York's Carnegie Hall has turned heads with audiences throughout North America and he is quickly building a reputation for being the golden voice of this generation. His performances of the Irish classics, in particular, have likened him with great Irish Tenor John McCormack.
